

REVISION HISTORY:

- **Development Kit for PECWS v.3.0 (Rev20250217)**
 - Revised the Data Dictionary and Document Type Definition (DTD) of eSOA.
 - Changed the Drug and Medicine Library for eSOA.
 - Updated the Data Dictionary of CF5 to set "N" (None) as the valid value for Laterality.
 - Removed the requestQrAuthorization and inquireQrTrackingNo methods as this requirement has been deferred.
